

A scatter plot with 'Component 1' on the y-axis and 'Component 2' on the x-axis. The plot area is enclosed in a green dashed border. There are 10 black circular data points. A purple five-pointed star is located in the upper right quadrant. Several dashed lines with arrows point from the star towards the data points, indicating a trajectory or influence.

5) Store tuple (g, θ, z)

A diagram illustrating data sources feeding into a database. At the top, there are three icons: a purple star, two purple document icons, and a red circle. Arrows from each of these icons point downwards to a black database cylinder icon at the bottom.
